# THE PORTLAND FOUNDATION FRIENDS OF JAY COUNTY AGRICULTURE GRANT INSTRUCTIONS

(Revised September 2018)

Please read these guidelines carefully, as they govern our Grantmaking process!

## (Download the application to your computer BEFORE filling out) GRANTMAKING GUIDELINES

Thank you for your interest in The Portland Foundation (the Foundation). The following information will assist you in determining whether to apply to the Foundation for funding and explain how to proceed if you are eligible to do so. Please review these materials carefully. While the Foundation would like to support all the important work being carried out by Jay County's not-for-profit organizations for the agricultural community, its financial resources are limited. The information provided through the application process helps the Foundation make sound decisions based on its mission, the directives of donors, and the Foundation's goal to provide effective assistance to as many organizations as possible.

#### POLICY STATEMENT FOR GRANTMAKING

The objective of the Foundation's Friends of Jay County Agriculture is to develop a protected pool of capital to generate income, so that the income can be used to energize and nourish endeavors that seek to enhance the agricultural community in **Jay County, Indiana**. Our grant policies will be designed to conform to that overall objective.

#### WHO WE FUND

The Foundation makes grants to tax-exempt (501)(c) organizations operating or proposing to operate programs for the benefit of **Agriculture in Jay County**.

#### WHAT WE DO NOT FUND

The Foundation will *not* normally consider grants from unrestricted funds for the following purposes:

- > Individuals other than scholarships (separate applications exist for the scholarship program)
- Organizations for religious or sectarian purposes
- Make-up of operating deficits, post-event or after-the-fact situations
- > Endowment campaigns
- ➤ For any propaganda, political or otherwise, attempting to influence legislation or intervene in any political affairs or campaigns.

In addition, the Foundation board is *reluctant* to approve grants to any organization for the purpose of maintaining an on-going operating budget or for multi-year grant requests. (Please contact the Foundation office before submitting a multi-year grant request). However, exceptions to this may be made at the discretion of the Board.

#### **HOW TO APPLY**

This application can be accessed at our website <u>www.portlandfoundation.org</u>.

Completed, computer-generated, application forms should be sent electronically to the Program Officer at jcook@portlandfoundation.org.

Applications that do not contain all of the requested information may not be considered. If information requested is not available an explanation is required. To facilitate the preparation of complete grant applications, applicants are encouraged to utilize Foundation staff assistance. Contact the Foundation office at (260) 726-4260 if you have any questions or need assistance with your application.

In addition, Foundation staff may contact you to arrange a conference to discuss the application, your organization, or your request. This may be in the form of a site visit, telephone conversation, or a meeting. All proposals will be reviewed by Foundation staff for completeness and to insure they fit within the general guidelines.

Once a grant is received, the Foundation anticipates that the funds shall be expended during the calendar year awarded. Failure to use funds for the purpose designated will result in obligation to repay grant money! If it appears implementation of the project or program will be delayed, the grant recipient must submit a written explanation which contains a request to encumber the funds for the following calendar/fiscal year. The Foundation's Board of Trustees will determine if the funds may be held over or if the applicant must reapply in a subsequent grant cycle.

#### PROPOSALS SHALL INCLUDE

- A Electronic Version (no scans please) of the completed application, emailed to jcook@portlandfoundation.org
- **∵** ➤ Budget for proposed project with purchase estimates and/or project bids, if applicable
- Most recent financial audit or year-end financial statement AND current budget year-to-date
- · · > Copy of 501 (c) tax exemption ruling from the IRS if not on file at the Foundation office
- · · > All pertinent supporting information

#### WHEN TO APPLY

The Foundation Board considers grants annually. Completed applications must be received at the Foundation office by **5:00p.m**. on:

### **November 16, 2018**

The Portland Foundation reserves the right to revoke a grant if the implemented project does not comply with our guidelines or reflect the application that was submitted.

# Preparing a Grant Proposal for The Portland Foundation

#### General

- Read instructions carefully.

  Be sure to include all requested information. Grant committee members note your ability/inability to follow directions.
- Submit Completed Application Electronically. Computer-generated, application forms should be sent electronically to the Program Officer at jcook@portlandfoundation.org.

  Rrgcug'f q'pqv'ugpf 'uecpu0

#### Content

- Applications should be brief and to the point. Avoid using technical or professional jargon that might be unfamiliar to committee members. Remember, those making the grant selections are unlikely to be professionals in your particular field.
- > State/summarize proposed project immediately. If you give a brief background of the project or organization, do so after you have stated the projects you are proposing to the foundation. Don't require the grant committee members to read several paragraphs (or worse, pages) before you state the purpose of the grant proposal.
- > Demonstrate that you have the support of others for your organization, and this project specifically. Include other foundations, corporations, and individuals who have already donated or will be working with you to make the project successful.

#### **Financial Information**

- Fill out all financial information in the application. This is a specific format required of all applicants. If a line item does not apply to your organization, then write N/A.
- Include your organization's most recently completed financial statements in whatever form you maintain that information.
- estimates or bids. The project budget should be an itemized list of the cost of your project. The grants committee needs to know how you determined the project cost. Please attach professional estimates, quotes, etc. These documents demonstrate that you have done your homework and have an accurate sense of what the project will cost.
- Ask for a specific amount in your request. If you don't tell the Foundation how much you need then they won't know.
- Ask for the right amount.

  Determine the average range of gifts the foundation has made in the past. Research the amount specific to your type of request.

#### **Attachments**

- Acknowledge missing information. If you do not submit one of the requested attachments, state why you have not included the information. The grants committee requests all information for a reason. If you do not acknowledge the omission of information, the committee cannot effectively review your proposal.
- Label all attachments.
  Attachments should be easy to identify. It is also helpful

to arrange attachments in the order addressed in the application.

#### **Finally**

- ➤ **Ask questions.** It is better to call the Foundation (at 260-726-4260) with your questions than to submit inadequate or incorrect information.
- Executive Director Doug Inman and Program Officer Jessica Cook are available to answer any questions you may have regarding the grant process.
