The Portland Foundation 2017 Annual Report

Message from The Portland Foundation

Dear Friends,

For the past four years, we have attempted to show The Portland Foundation's impact in the Jay County community by spotlighting a portion of the Foundation's mission statement. This year's report "Providing Leadership on Key Community Issues" completes the series.

While the Foundation has been building endowment and making grants since its founding in 1951, community leadership is a newer part of the mission. The number of community issues that the Foundation has taken leadership on has steadily increased over the years. Notable community projects that the Foundation has provided leadership on include:

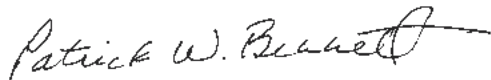

- John Jay Center for Learning
- Jay County 20/20 Vision
- Portland Waterpark
- Jay County Promise
- Jay County Fair Association Grandstand Project
- Early Childhood Education

The Portland Foundation is well positioned to continue to lead on important issues that will shape Jay County's future.

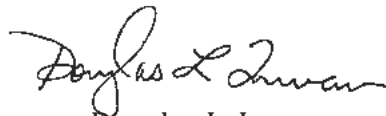

As The Portland Foundation continues to carry out its mission to enhance the quality of life in Jay County by building community endowment, awarding grants, and providing leadership on key community issues, we do so with the utmost integrity. We strive to serve donors and grant and scholarship recipients, as we would wish to be served ourselves.

The board and staff are blessed to be able to serve the community. Each of us thanks you for trusting us with carrying out your philanthropic legacy for Jay County.

With Gratitude,

Patrick W. Bennett

How to Give Through The Portland Foundation

Donors can give to existing funds or create new ones that best serve their needs and charitable interests. Prospective donors are urged to discuss the various options listed below with their attorney, accountant, or other financial advisor.

Endowment Funds

An endowment fund is a living memorial that may carry your family name. It creates a pool of charitable assets that provides enduring charitable support. Donors may choose one of five ways to have their contributions administered:

Unrestricted

The donor allows the Board of Trustees the freedom to choose the grant recipients and respond to changing needs in the community.

Field of Interest

The donor may specify a field of interest, but leaves selection of the exact recipients to the discretion of the Board of Trustees.

Restricted

The donor may name one or more particular agencies or institutions to receive grants.

Scholarship

The donor outlines the criteria for awards to deserving students so they may pursue educational opportunities.

Donor Advised

The donor may suggest possible grant recipients to the Foundation each year.

Planned Gifts Providing Lifetime Income

Planned gifts provide the benefits of charitable giving, while affording you and loved ones income from the donated assets.

Through The Portland Foundation, donors have the opportunity to preserve and strengthen the Jay County community. For information on these and other ways to use The Portland Foundation, call Doug Inman at (260) 726-4260.

Applying for Grants

The Portland Foundation encourages requests from any new or existing charitable organization or community agency in Jay County.

Grant Policies

Grant proposals must have direct relevance to Jay County charitable needs.

Areas The Portland Foundation wants to support are:

- Start-up costs for new programs
- One-time projects or needs
- Capital needs beyond an applicant organization's capabilities and means

Generally, The Portland Foundation does not support:

- Individuals, other than scholarships
- Religious or sectarian purposes
- Make-up of operating deficits, post-event or after-the-fact situations
- Endowment campaigns
- Propaganda, political or otherwise, attempting to influence legislation or intervene in any political affairs or campaigns

Requests are reviewed and voted on twice a year. Deadline dates are typically in January and July and are announced in the local media.

Foundation staff will review the grant request and will contact the requesting organization for any additional information or clarification. Following staff review, the proposals are sent to the Board of Trustees for evaluation and funding recommendation.

Following the next regularly scheduled board meeting, applicants are informed in writing of the Board's decisions as well as any conditions placed on a grant.

The mission of The Portland Foundation is to enhance the quality of life for the people of Jay County, Indiana, now and for generations to come, by building community endowment, effecting significant impact through grantmaking and providing leadership on key community issues.
